CORRECTION OF ERROR IN PATENT

Under 37 CFR 1.323

Certificate of Correction of Applicant's Mistake

CERTIFICATE OF CORRECTION OFFICE

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

Assignee of the above-identified patent hereby requests that a Certificate of Correction be issued for this U.S. Patent. We enclose herewith Form PTO SB/44, which provides the changes as they should be listed.

Specifically, Assignee requests that the Assignee listed on the first page of the cover sheet of the issued patent listed as "(73) Assignee: Gas2 Limited, Aberdeen (GB)" be replaced with --The Robert Gordon University, Aberdeen (GB) --.

REMARKS

As noted above, Assignee requests that the Assignee listed on the first page of the cover sheet of the issued patent listed as "(73) Assignee: Gas2 Limited, Aberdeen (GB)" be replaced with --The Robert Gordon University, Aberdeen (GB) --. The above-referenced patent was assigned to The Robert Gordon University as evidenced by the recordation at Reel/Frame 017334/0729 which was submitted for recordation as set forth in 37 CFR 3.11 before issuance of the patent (Recorded March 13, 2006). Gas2 Limited is a licensee, not an assignee, as reflected in the license recorded at Reel/Frame 022759/0825. Thus, Assignee, The Robert Gordon University, requests that --The Robert Gordon University, Aberdeen (GB) -- be listed on the first page of the cover sheet of the issued patent.

The Commissioner is hereby authorized to charge any fees under 37 CFR 1.17 which are required, or credit any overpayment to Deposit Account No. **09-0528** (R146 1010.US).

Respectfully submitted,

Date: April 6, 2010
